

Shared Interest Group (SIG) Proposal Form

Thank you for your interest in creating and facilitating an OLLI Shared Interest Group (SIG). A SIG brings together persons who have a common interest that they wish to pursue indefinitely within a structure of meetings and/or activities designed primarily by the members of the group. A SIG is a participatory group that typically strives to develop a sense of community and friendship among its members even as it endeavors to enhance members' skills, education and experiences

A SIG is proposed by an individual who is considered to be the SIG facilitator.

To propose a new SIG: Please complete the following form and submit it to the OLLI office at julieba@med.umich.edu or via U. S. Mail. We will try to respond to your proposal within the next two weeks. Your proposal will be evaluated by the SIG Oversight Committee and OLLI staff. Prior to approval, you (the proposed SIG facilitator) will meet with several members of the SIG Oversight Committee to discuss your proposed SIG. To be advertised in the Fall 2021 OLLI catalog, a SIG proposal must be reviewed and approved by mid-May, 2021.

This proposal would be for a SIG that would start in the Fall of 2021. Once a new SIG is approved, OLLI staff will coordinate with the facilitator to provide advertising, pricing, etc.
