Join fellow OLLI members at this WeListen Session to learn current immigration policies and to participate in small group discussions about this complex topic. Our aim is to bring liberals, conservatives, libertarians - everyone across the political spectrum - together for constructive conversation. The goal of WeListen discussions is not to debate or argue, but to understand the views and values of others and to learn from their perspectives. The session will begin with a brief content presentation to provide a basic understanding of the topic. No specific level of knowledge is required to participate in WeListen discussions. **Lunch is provided.**

Cost: \$15
